PROGRAM NOTES

NORTHWEST FOLKLIFE FESTIVAL
Each May KRAB has swept its studios clean of all portable broadcast equipment, borrowed carloads more from friends and a few unwitting benefactors, wired all the pieces together with solder and incantations, and flipped the switch. Most of the time, the incantations have worked. The pleasure has been ours, to bring to you this festival of traditional and contemporary music, the fiddlers, the fun and the foolishness.

This year we'll begin our live broadcast at 8 PM on May 27, with a concert from the KRAB stage in the Flag Pavilion. Then, at noon each of the next three days, we'll again be in the Flag Pavilion for more live Festival--each day concluding with a concert from the Seattle Center Playhouse.

We invite you to come in person to the Pavilion, and to all the rest of the Festival as well. Stop by and tell us what you think of Folklife on the radio. Let us know that you've been listening. *****
